SPRING NEWSLETTER

March - May 2026

Spring Program Preview

Spring is here! We welcome this vibrant season and invite the community to explore the fun, engaging, and enriching programs and events planned for the coming months.

Foster a love of reading and learning with our engaging **Storytimes**, held every Monday and Wednesday. Are there any Pokémon trainers out there? Join our school-age **Pokémon League**. Trade cards, battle friends, and catch 'em all! Young adults! Flex your artistic muscles and participate in our monthly **Teen Art Contest**.

Reading is where it's at! Adults, you have your choice of book engagement from participating in one of our two book clubs, **Happy Ever After** or **Mystery & Mayhem**, or online through our **monthly Beanstack challenges!**

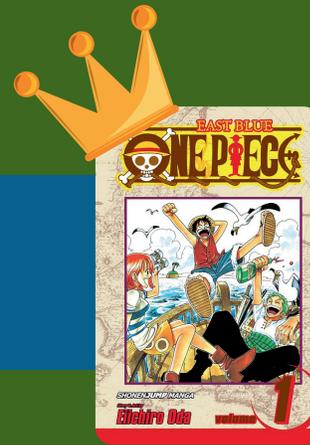

In April, we are partnering with the Catoosa County Public Schools and Catoosa Citizens for Literacy to host our second county-wide literacy event, **Catoosa Reads!** Check out our website or pick up a printed calendar for a monthly list of events and programs. **We look forward to seeing you at the library!**

Library of Things

Did you know that you could check out “things” from the library, too? Some of our things you may already be aware of, like our **Cakepans**. Stop by to explore some other things you can check out, like the **Kill-A-Watt EZ Power Meter** to assess both the efficiency and actual consumption of standard home appliances. We also have a **Radon Kit** you can check out to evaluate the radon levels in your home. We even have kits such as our **Observing Pollinators Kit** that contains binoculars, a stopwatch, a data sheet, wildlife identification references, and a step-by-step activity guide to help you get started. What new things will you discover?

Partner Spotlight!

— CATOOSA COUNTY —
FAMILY COLLABORATIVE
family connection™

Visit their website to learn more!

The **Catoosa Family Collaborative** is a community partnership dedicated to strengthening families and improving the well-being of children across Catoosa County. By bringing together local agencies, schools, nonprofits, healthcare providers, businesses, and community members, **the Collaborative works to address the root causes of challenges facing families and to promote long-term stability.**

Through coordinated prevention efforts, education, and resource sharing, the Collaborative focuses on key areas such as mental health, substance use prevention, family stability, youth development, and access to basic needs. This collective approach reduces duplication of services, increases efficiency, and ensures families are connected to the right support at the right time.

The Catoosa Family Collaborative also serves as a hub for data-driven decision-making and community engagement, helping partners align strategies and measure impact. Together, these efforts create a stronger, healthier community where children and families can thrive.
